DR. NERI C. OJASTRO, CESE
Schools Division Superintendent
SDO Negros Oriental

Dear Dr. Ojastro;

Greetings from Foundation University!

I hope this letter finds you well.

We are happy to announce that we will be having our 16th Digital Expo on March 6-9, 2024 at Robinsons Dumaguete. Foundation University has earned the reputation as a creative and innovation hub where our students develop their skills and talents in order to be beneficial to the greater community.

The digital age has contributed to the advancement of the University's educational system and our students have become adept to its importance through the use of iPads and the Foundation University Expanded Learning or FUEL, the university online learning system.

In line with the said activity, we would like to invite our public and private high school students of Dumaguete City to join our activities on the said dates. We will be having webinars, in person competitions and fun activities for the students to learn and enjoy. We would also like to invite the choral groups for the Inter High School Choral Competition on March 8, 2024 at 1PM. Rest assured that the university will observe all health and safety protocols required throughout the duration of the event to ensure the safety of all the participants.

In anticipation for a favorable response on this matter, thank you very much.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Alexie Miraflor'.
