Schools Division Superintendent
Division of Negros Oriental
Negros Oriental

Dear Dr. Ojastro:

Greetings of peace and good health!

In pursuit of quality education where real-life situations are encouraged among pre-service teachers, I would like to seek your approval for our students to have practice teaching in the schools in the Division of Negros Oriental starts from March 11 to May 8, 2024. I assure you that our students will comply with all school policies and regulations during their practice teaching.

I understand that schools have their schedules. I am willing to work around them to ensure that our student practice teaching does not disrupt the regular school activities. I have attached the list of students and the proposed school assignment, but I am open to any suggestions or requirements from your end to make this experience more beneficial for both students and your district schools. Also, should you wish to conduct an orientation, our students would be grateful to attend on your preferred schedule.

I look forward to your positive response and the opportunity to collaborate with your district schools.

Thank you very much. Caritas Christi Urget Nos!

Respectfully,

CHERRYL A. LARGO, Ed.D.
