Dear Superintendent Ojastro:

Greetings!

The National Skills Registration Program (NSRP) is a Program initiated by the Department of Labor and Employment (DOLE) with the main objective of maintaining a continuing nationwide skills registry through its PESO Employment Information System (PEIS), a database of active manpower supply containing the profiles of all persons and employers registered under the NSRP. It shows information on the qualifications and skills of the applicants as well as the job openings posted by the employers. This registry is maintained and updated by all participating PESOs nationwide.

In line with our efforts to address the country's growing problem of skills mismatch, the Provincial Public Employment Service Office (PESO) would like to humbly request the following information attached herein from your teaching and non-teaching applicants as well as your Alternative Learning System (ALS) learners.

Full Name	Mobile Number
Date of Birth	Email Address
Age	Employment Status
Gender	Highest educational attainment (year, school, & course)
Civil Status	Trainings acquired
Present Address	Work experience

The data gathered will be encoded in the PESO Employment Information System (PEIS), which will eventually help us facilitate local employment, provide fast and effective employment to jobseekers and clients, and inform policymakers, planners, and decision-makers with accurate, timely, and reliable labor market information. Rest assured that any personal data shared with us will be guaranteed with utmost confidentiality.

Hoping for a positive response on this request. Thank you and God bless!

Yours truly,

ALEIN S. BALSAMO
 PESO Manager
