Public Elementary School Heads
All Others Concerned

1. In the quest of ensuring that the schools of the Division of Negros Oriental is attuned to the standards of compliance as directed by the Department of Education to pursue continuous improvement as well as the existence of the Department Order No. 29, s of 2022 or also known as “The Adoption of the Basic Education Monitoring and Evaluation Framework.” It introduces the monitoring tool for the Continuous Improvement Projects of the schools and districts.
2. M&E is referred as both a measurement of the performance of an organization , a program, a project or an individual. These are complementary yet distinct processes depending on the purpose, focus and approach used when they are conducted. The Monitoring and Evaluation Unit of the Schools Governance and Operations Division is taking bold steps to mobilize the M&E efforts to ensure that the services offered are of high-quality. The schools are reminded that Continuous Improvement Projects are key endeavors in schools and districts to ensure that all the aspects of schools’ governance are taken into
