MEMORANDUM

OUA-OUT-020724-I3-1

FOR : **REGIONAL DIRECTORS
SCHOOLS DIVISION SUPERINTENDENTS
REGIONAL AND DIVISION IT OFFICERS
ALL OTHERS CONCERNED**

FROM : **NOLASCO A. MEMPIN**
Undersecretary for Administration

SUBJECT : **CONDUCT OF BUDGETARY REQUIREMENT FOR THE
IMPLEMENTATION OF SCHOOL-WIDE INTERNET
CONNECTIVITY FOR THE SELECTED PILOT SCHOOLS**

DATE : 08 February 2024

In line with the recently conducted Basic Education Report (BER) on January 25, 2024, and the launch of the DepEd Digital Education 2028 (DepEd DigiEd 2028), the Office of the Undersecretary for Administration (OUA) is taking proactive measures to support the implementation of this flagship program.

The OUA, through the Information and Communication Technology Service (ICTS), hereby introduce the launch of the Pilot School-Wide Network Infrastructure Project. This pilot project aims to enhance internet connectivity in 680 schools nationwide.

The primary objective of this project is to address the digital divide in education by significantly enhancing internet connectivity within public school campuses. The project emphasizes establishing comprehensive coverage throughout the entire school premises, ensuring robust internet connections that will benefit teachers and learners.

It is noteworthy that 35 of these pilot schools are part of the MATATAG Curriculum pilot program. As such, the thirteen (13) Schools Division IT Officers assigned to these schools have already completed and submitted their budgetary requirements for implementing school-wide internet connectivity. Additionally, 645 more pilot schools were selected based on the following criteria to reach the target of 680 schools:

1. Recipient of DepEd Computerization Program (DCP) F.Y 2022 to 2024
2. Public schools offering high school curriculum.
3. Existing Internet Connection and Electricity

These 680 pilot schools have been selected to lead the effort in addressing limited internet access by improving connectivity and network facilities. The findings from these pilot schools will serve as a crucial roadmap for the future nationwide expansion of the project.

In this regard, **all remaining 204 School Division IT Officers are hereby instructed to complete and submit the Budgetary Requirement Form** for their respective divisions. *Refer to Annex A for the list of the additional 645 pilot schools requiring budgetary requirement submission.* This form should outline the requirements necessary to implement School-Wide Internet Connectivity in their assigned schools. Please ensure that the proposal is comprehensive, covering all aspects of the project, including network infrastructure, network equipment, internet subscription, and other operational expenses.

The template for the Budgetary Requirement Form can be downloaded through **bit.ly/SWNIP_FORM**.

School Division IT Officers must upload the scanned copies of the completed Budgetary Requirement Form to their respective division folder at **bit.ly/SWNIP_SUBMISSION** by February 23, 2024.

We appreciate your dedication to advancing the goals of the DepEd DigiEd 2028. Your prompt and thorough cooperation in this matter is essential for the success of this transformative initiative.
