JUSTIFICATIONS FOR HAVING AN ADDITIONAL LINGO STARS EVENT FOR KOREAN LANGUAGE:

Showcasing Talents and Skills: NFOT serves as a significant platform for SPFL learners to showcase their hard-earned talents and skills in the Korean language.

This is important as it allows these learners to demonstrate their proficiency in a foreign language which is a valuable skill in today's globalized world.

Global Awareness: For SPFL learners, learning a foreign language like Korean not only equips them with language proficiency but also exposes them to Korean culture, history, and society. This broader perspective can be valuable in fostering global awareness and cross-cultural understanding, which are essential in an interconnected world.

Fostering Creativity and Confidence: It encourages SPFL learners to think creatively, come up with innovative ways to present their language proficiency, and express themselves effectively. By doing so, they can develop not only their foreign language skills but also their self-confidence and public speaking abilities. This empowerment can have a positive impact on their personal growth and future endeavors.

EVENT RULES AND MECHANICS

General Guidelines

- The competition shall consist of proposal writing and One-Minute Presentation. The teams shall develop and present their proposal to the panel of judges of their solution about a real-world problem/scenario of local or global importance. The situation containing the problem shall be given on-site during the showcase.
- The participants are given 3 hours to conceptualize and prepare their written description of the proposed solution for the oral presentation. All entries submitted shall not bear any markings that identify their regions. The participants may use the internet and other printed resources in developing their written solution, however, the teams are not allowed to confer with their coaches while the activity is on-going. Any form of communication between the participants and other parties (coach, parents, classmates, teachers, etc.) shall warrant automatic disqualification.
- The proposed solution shall have the following components:
 - Title
 - Summary (100 - 200 Words)
 - Background and Problem (200 - 300 Words)
 - (Describe the challenges and how the proposed solution addresses the problem presented. Scientific Principles and Technology applicable to the resolution of the problem.)*
 - Beneficiaries
 - Proposed Solution to the Problem Presented (300 - 500 words)
 - Methods/Details of the proposed solution including the Cost - Analysis as applicable.
 - Include illustrations, figures, and charts.
 - References: May use any format as long as consistency is observed
- The teams shall encode their proposals in word processing software, double-spaced using Bookman Old style font size eleven set in A4 size paper. Margins shall be 1 inch on all sides of the paper. Within the 3 hours, the teams shall submit their outputs (electronic copy) to the facilitators.
- The proposals shall be subjected to a plagiarism check. Any proposals which exceed 15% similarity index (uncited) shall be

- deducted 2 points from the total score for every percent in excess. However, cited references shall be excluded from the 15% tolerance.
6. The submitted proposals shall be evaluated by the assessors before the oral presentation.
 7. A timer board shall be shown to the public as well as to the participants.
 8. At the end of one minute, a buzzer shall signal that the time for presentation is up and the participants shall immediately stop presenting.
 9. After the presentation, the assessors will ask questions for clarifications.
 10. The participants will be ranked based on the combined scores in the written and the oral presentation where the highest scorer will be ranked first and so on.
 11. In addition to recognize exemplary performance of learner-participants, recognition merit system shall be implemented as follows:

97 - 100	Excellent Award (Gold medal)
94 - 96	Very Good (Silver)
90 - 93	Good (Bronze)
Below 90	Certificate of Recognition as National Finalist
