Dear Dr. Jimenez,

Greetings of Peace!

The Philippine Guidance and Counseling Association (PGCA) Cebu a chapter organization of the Philippine Guidance and Counseling Association, Inc., an *Accredited Integrated Professional Organization for Counselors by the Professional Regulation Commission*, is pleased to announce its **24th Annual Conference and Professional Development Training** on **April 18-19, 2024** at One Central Hotel, Corner Leon Kilat, Sanciango St. Cebu City, Philippines. The theme for this conference is **"Facets of Grief: Journeying with Competence and Compassion"**. As we all know, Grief is a multifaceted and complex emotional experience that can affect an individual. Learning techniques in handling grief can benefit counselors and other mental health professionals to be more understanding and compassionate on the client's dimensions of the grieving process, capturing the range of emotions, thoughts, and behaviors as they move forward to the healing process.

In this connection, it is our honor to invite you to deliver the keynote message during the opening program on April 18, 2024 at 8:00 in the morning. Your presence will signal a great impact on the valuable work of the guidance counselors in the field and on our learners and clients.

We would also like to extend the invitation to the mental health practitioners in the basic education sector of the Department of Education - Central Visayas to participate in insightful training aimed at advancing their skills in handling grief. It is very important for the mental health providers such as guidance counselors, guidance advocates and other helping professions to always upskill and be competent in the profession to effectively help their clients, the students. The training will be facilitated by an international and local expert in the field of counseling. Participants of the said training will also be earning CPD points.

Furthermore, may we humbly ask DepEd Region VII for support and endorsement regarding the participation of guidance counselors and guidance advocates in basic education institutions to attend the said assembly and training. Your endorsement for **Official Time/Business** for interested practitioners will greatly impact the clients that they will be serving.
