A RESOLUTION

IN SUPPORT OF THE DEPARTMENT OF EDUCATION'S BUREAU OF LEARNER SUPPORT SERVICES-LEARNER FORMATION DIVISION'S (LFD) CRAFTING OF AN OPERATIONS MANUAL FOR THE ESTABLISHMENT AND OPERATIONS OF SCHOOL CAMPUS COORDINATING COUNCIL OF RECOGNIZED CLUBS AND ORGANIZATION

WHEREAS, the National Federation of Supreme Secondary Learner Government (NFSSLG) composed of all Regional Federation Presidents, is the highest level of the learner government program under the DepEd's Bureau of Learner Support Services-Youth Formation Division;

WHEREAS, clubs and organizations have been vital to learners' growth and development in some public elementary and secondary schools, whether it hones their academic skills and interests;

WHEREAS, there are active clubs and organizations introduced and currently administered or overseen by the Bureau of Learner Support Services-Learner Formation Division such as Barkada Kontra Droga (BKD), Youth for Environment in Schools Organization (YES-OS), School Sports Club, and Red Cross Youth (RCY);

WHEREAS, Article XII of the new Bylaws and Constitution of the Supreme Elementary and Secondary Learner Governments (SELG/SSLG) indicates the establishment of a coordinating council of all campus co-curricular clubs and organizations, which shall be headed by the SSLG President and guided by the school head as the council advisor;

WHEREAS, the same article also discusses the functions and other provisions needed for the continuous operation and establishment of the coordinating council, specifically the council committees, council advisorship, council chairmanship, council member qualifications, and council meeting details.

WHEREAS, there is no clear mandate for the limitations or boundaries of the council, the definition of terms needed for the operation of the council, council meeting procedures, council documents, or even the description of the process of club and organization accreditation and re-accreditation.

WHEREAS, the process of recognizing club and organization accreditation and re-accreditation is also stated as one of the duties and responsibilities of the SELG/SSLG, which mandates them to recommend clubs and organizations to the school head in order to function as legitimate clubs and organizations effective for one (1) whole school year.

WHEREAS, during the NFSSLG Meeting for the validation of the National Assessment Form on the State of the Secondary-Level Learners and the Supreme Secondary Learner Government for SY 2023-2024, one of the main concerns that the NFSSLG wants to determine from the perception and experiences of the SSLG Presidents is the establishment and operation of a coordinating council at their respective school, which will help to determine how effective or functional the coordinating council is mandated in the SELG/SSLG Bylaws and Constitution.

WHEREAS, crafting the operations manual for the Coordinating Council of Campus Co-curricular Clubs and Organizations, under the leadership of the BLSS-Learner Formation Division, will help the SSLGs lay a strong foundation for the establishment of the council with the vision of having harmonious working relationships between all clubs and organizations.

NOW, THEREFORE, BE IT RESOLVED BY THE NFSSLG, to request the Learner Formation Division of the Department of Education to craft an operations manual for the establishment and operations of the Campus Coordinating Council of Co-curricular Clubs and Organizations.

RESOLVED FURTHER, that the Youth Formation Division (YFD) is requested to invite all the officers and board members of the National Federation of Supreme Secondary Learner Government on the crafting of the operations manual for inputs and suggestions.

RESOLVED FURTHER, that the results from the National Assessment Form on the State of the Secondary-Level Learners and the Supreme Secondary Learner Government for SY 2023-2024 under the Formation of the Club/Organization Coordinating Council inside the School be evaluated to deepen the condition of the coordinating council in our secondary schools and formulate possible interventions that can be added on as soon as the necessary data are obtained by the NFSSLG and the YFD.
