DIVISION MEMORANDUM

No. **0327**, s. 2024

ORIENTATION WORKSHOP ON THE DEPED RADaR APP FOR SCHOOL HEADS

To: Assistant Schools Division Superintendents
Chiefs, CID and SGOD
Public Schools District Supervisors / District-In-Charge
School Heads, All Others Concerned

1. Schools are vulnerable to various natural and human-induced hazards, including typhoons, earthquakes, and fires. By providing school heads with orientation on the DepEd RADaR app system, we equip them with the tools to conduct rapid assessments of damages to school buildings, facilities, and resources in the aftermath of a disaster. This enables schools to respond promptly and effectively, ensuring the safety and well-being of students, teachers, and staff.
2. With this, the Schools Division of Negros Oriental through Disaster Risk Reduction and Management (DRRM) will conduct an **ORIENTATION WORKSHOP ON THE DEPED RADaR APP FOR SCHOOL HEADS** on the scheduled dates per District attached to this memorandum. The venue of the activity will be at 3rd Floor DepEd Negros Oriental Conference Room, Capitol Area, Dumaguete City.
3. Participants in this orientation are all School Heads and Public Schools District Supervisors (PSDS)/District In-Charge (*see attached number of schools per District.*).
4. Participants are required to bring mobile phones with Android Version 6 and up.
5. Members of the Technical Working Group (TWG) are requested to be in the Division Office on April 15-17, 2024 for the preparation of slide decks and other necessary materials for the orientation.
6. Teacher-participants are required to prepare learning materials for the class to engage with while attending the workshop. If no teacher is available to temporarily replace the teacher, all in-person classes of the said teacher will shift to modular distance learning.
