Division of Negros Oriental

Dear Dr. Ojastro:

Good day! We are the **NYK-TDG Maritime Academy (NTMA)**, a maritime educational institution duly recognized by the Commission on Higher Education (CHED) and the Maritime Industry Authority (MARINA) located at Carmeltown, Canlubang, Calamba City, Laguna. NTMA opened in 2007 to answer the demand for Filipino merchant marine officers to man the growing fleet of ships of Nippon Yusen Kaisha or NYK Line—Japan's biggest and oldest shipping company. NYK Line partnered with the Transnational Diversified Group (TDG), a Filipino-owned business conglomerate, to establish NTMA and produce graduates who are ship officer-material.

**NTMA offers a Study-Now-Pay-Later Program to assist poor yet bright students to pursue a college education. But what is unique to our Academy is not only the promise of quality maritime education but guaranteed shipboard training (with US dollars monthly allowance while onboard) and assurance of employment after graduation.**

Every year, we go around the country to look for young and talented Filipinos who wish to join the merchant marine profession and have a beneficial career in the future. We have been successful because of the support of various secondary schools who assist us in this endeavor.

We are reaching out to request two upcoming activities - Career Orientation for Grade 12 Senior High School students of Negros Oriental and allow us to conduct the entrance exam in Negros Oriental High School.

We kindly request your approval for the proposed dates and appreciate your consideration of our request. Please feel free to contact us for any additional information or clarification. You may call us at (049) 508-8651, (02) 8554-3888 loc 8651, or **0998-5669587** and look for **Ms. Ana Liza G. Cruz**, Admission Officer.

**Our NTMA Entrance Examination remains FREE of charge.**

Thank you and best regards,

**ANA LIZA G. CRUZ**

Every year, we go around the country to look for young and talented Filipinos who wish to join the merchant marine profession and have a beneficial career in the future. We have been successful because of the support of various secondary schools who assist us in this endeavor.

**We are reaching out to request for two upcoming activities, which we believe will benefit the students of Negros Oriental and contribute to the promotion of the maritime profession among Filipino youth.**

**1. Classroom Usage of NTMA Entrance Exam.** We kindly request permission to utilize the classrooms at Negros Oriental High School for the NTMA entrance exam. The exam is scheduled to take place on **January 13, 2024**, from **7 am to 12nn only**. We assure you that we will strictly adhere to all policies and guidelines set forth by NOHS during our usage of the facilities.

**2. Career Orientation for Grade 12 Senior High School Students.** Additionally, we seek the opportunity to visit and conduct a career orientation for Grade 12 Senior High School students in the Division of Negros Oriental. The orientation aims to provide valuable insights into the seafaring profession, offering students a comprehensive understanding of the opportunities and benefits that a career in the maritime industry can provide. We believe that this event will help students make informed decisions about their future careers. We propose the dates either on January 10-12, 2024.

We kindly request your approval for the proposed dates and appreciate your consideration of our request. Please feel free to contact us for any additional information or clarification. You may call us at
