Dear Sir Jimenez:

Greetings in the name of the Lord!

I trust this letter finds you well. I am writing to you on behalf of the Canlaon City Division Athletic Association. As preparations intensify for the Central Visayas Regional Athletic Association (CVIRAA) meet in Cebu City, we are committed to ensuring the optimal health and well-being of our participating athletes.

Our athletes have demonstrated exceptional skill and dedication, qualifying to represent Canlaon City Division in various events at the forthcoming CVIRAA meet 2024. However, we understand that maintaining peak physical condition includes addressing dental concerns that may impact performance.

With this in mind, we kindly ask for your support in arranging dentist from nearby divisions to conduct thorough dental examinations for our athletes. Identifying and addressing dental issues before the competition will not only enhance their comfort and confidence but also contribute to their overall performance and well-being during the CVIRAA Meet.

We are cognizant of the demands on your time and resources but firmly believe that your expertise and commitment to promoting oral health align with our goal of ensuring the holistic well-being of our student-athletes. Your collaboration in this endeavor would be immensely valuable and greatly appreciated. Should you require any further information or assistance from our end, please do not hesitate to reach out. We eagerly anticipate your positive response and participation in promoting the health and success of our Canlaon City Division Athletes at the upcoming CVIRAA Meet.

Thank you for considering our request.

Warm regards,

ATTY. ESTER A. FUTALAN
