Dear Dr. Ojastro,

Warm greetings to you! I trust this letter finds you well and thriving. I am reaching out to you on behalf of the Senator Imee Marcos Basketball Clinic and Cheer Dance Training program, organized in collaboration with the Provincial Government of Negros Oriental. The clinic and training aim to provide a platform for elementary and high school students to develop their skills in basketball and cheer dance, respectively.

The basketball clinic will take place on May 17, starting at 9:00 AM at NORSU Gym Main Campus. We are aiming to get 50 elementary students and 50 high school students up to 18 years old. Through expert coaching and guidance, participants will have the chance to enhance their basketball skills, learn the importance of teamwork, and cultivate a spirit of sportsmanship.

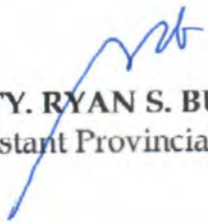

Similarly, the cheer dance training, also happening on May 16 - 17, at 9:00 am, at the same venue, NORSU Gym Main Campus. For this activity, we are seeking 45 elementary students (minimum age of 10 years old) and 45 high school students up to 18 years old. This program will focus on developing coordination, flexibility, and teamwork, while also fostering creativity and self-expression through dance.

We kindly request your assistance in selecting and coordinating the participation of students from the respective schools within your jurisdiction. Your support in disseminating information about these programs to the school administrators, teachers, and students will greatly contribute to the success of these initiatives.

We look forward to your favourable response and cooperation in making the Senator Imee Marcos Basketball Clinic and Cheer Dance Training a memorable and enriching experience for the students in our district.

Thank you in advance for your attention to this matter, and we eagerly await the opportunity to work together in promoting the holistic development of our students through sports and physical activities.

Sincerely,

ATTY. RYAN S. BUENAVISTA
Assistant Provincial Administrator
