**DATE :** April 17, 2024

The United Nations Educational, Scientific, and Cultural Organization (UNESCO) and Korea International Cooperation Agency (KOICA), in coordination with the Bureau of Alternative Education (BAE), will conduct the **National Capacity Building Training on the Utilization of Alternative Learning System (ALS) Modules** from **April 24 to 26, 2024** and **from June 13 to 15, 2024** at Dusit Thani Hotel, Makati City.

The training is under the existing project of UNESCO's "*Better Life for Out-of-School Girls to Fight Against Poverty and Injustice in the Philippines*", which aims to help the Philippines achieve the Sustainable Development Goals (SDG), especially SDG 4: Quality Education, particularly its capacity building component.

The training aims to:

- Capacitate the ALS Implementors on the utilization of the ALS modules designed for Junior High School (JHS) level ALS learners; and
- Familiarize the implementors with the distinct features of the materials for better implementation and use in their own local context and setting.

The said training is expected to be participated by select SDO ALS Focal Persons, ALS Education Program Specialists, and ALS teachers from 17 regions. Please refer to Attachment No. 1 for the list of participants and Attachment No. 2 for the indicative program of activities.
